Ver.3: Exciting ★ Orientation

TODAY IS THE AWAITED ORIENTATION!
OK, CLASS IS DISMISSED.
CLEAN YOUR DESKS AND MOVE THEM OVER THERE.
YEEEES!
TN: HANKACHI OTOSHI: A JAPANESE GAME SIMILAR TO DUCK DUCK GOOSE
IT SEEMS THAT PLAYING HANDKERCHIEF DROP IS PRETTY COMMON.
IT'S GOING TO BE FUN, RIGHT, CHIGUSA? WHAT WILL WE DO?
HAND-KERCHIEF DROP?*
IN ORDER FOR US APPS TO INTERACT WITH EACH OTHER, WE'LL LIVE TOGETHER!
WE WON'T PLAY ANYTHING THAT BIZARRE. STOP TALKING AND MOVE THOSE DESKS!
HOW CRUEL CAN PEOPLE BE!?
IT'S A GAME WHERE YOU CONSTRICT SOMEONE FROM BEHIND USING A HANDKER-CHIEF.

"ORIEN-TATIONS ARE JUST A WASTE OF TIME."
"I'LL BE ABSENT AND STUDY AT HOME."
BUT IT'S MY FIRST TIME AND I'M REALLY EXCITED! SENSEI MUST HAVE DONE IT BEFORE THOUGH...
IT'S MY FIRST TIME TOO.
EH? WHY?
IF YOU'VE FINISHED MOVING THE DESKS, SIT SOME-WHERE
THERE'S A MESSAGE FROM THE PRINCIPAL.
IT'S JUST AS IF YOU HAD SEEN IT!
...SOMETHING LIKE THAT, RIGHT?

Is the student downloading going well?
Hello girls, and Kurose-kun.
Help each of the students you download hereafter, please, Kurose-kun.
I see. The number of participants will be lower than expected, but it can't be helped.
Unfor-tunately, I've only dowloaded four so far.
Under-stood.

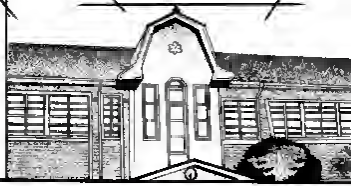
This orientation will be the first time you go outside the school.
It's important to interact with humans other than Kurose-kun.
And one more thing: To learn about sociality by living together with humans. The itinerary I prepared is in that room, so act according to it.
The objective of this orien-tation is having the students and the professor interact with each other in order to strengthen the class unity.

And the App Girl download system must go through maintainance once a day.

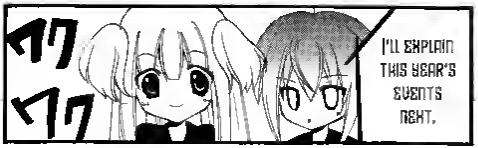
Because of that, the download requirements reset themselves after 24 hours and you'll have to start from zero. Please remember that.

Downloading is only possible in the school's premises where the sensor can reach.

The number of times you go outside will probably increase, just beware of the download requirement coverage.



Kurose-kun, did you forget the reason why this school exists?



I'll explain this year's events next.

Objection! There are so many events that there won't be any time for studying!

The ball game tournament, the sketching contest, the excursion, the swimming meet, the cultural festival, the sports meet, outdoors school, the field trip, the chorus contest, mountain climbing, Halloween, the party, the calligraphy contest, the cooking contest.

TN: Yakyuuken is a step version of Rock Paper Scissors.

To think that this is the principal.

I know! It's also have a "Doki ★ High-school girls only yakyuuken"! And a sumo tournament would be good too!

Events are essential to let them experience different things.

That's right, but...

This school is for the App Girls to learn about sociality by living together.
